

TOWN OF BRIDGEVILLE

# THE JOURNAL

VOLUME 50 CHAPTER 509

APR / MAY 2009

## From the President's Desk

I hope all of our Bridgeville residents are enjoying the summer-like weather. It's great to see the children playing outside and the increased activity at the Little League and Tee Ball fields. The summer season is certainly in full swing here in Bridgeville.

This is the time of year when our dog Molly and I head out for a 20 minute walk that usually takes an hour or more to complete. We're always stopping to visit with neighbors and friends who are working in their yards or relaxing on their front porches. I trust you will take advantage of opportunities to greet and lend a helping hand to your Bridgeville neighbors.

With all the rain we have been having this spring, it has been a job to keep up with cutting the grass. I think you can almost hear it growing! Over-all, the Town looks wonderful; however, there are always those property owners who need a reminder to follow the Town codes concerning their grass. Please read the article on page 3 called "Summertime Reminder" concerning grass cutting requirements. After you have cut your grass, please be aware that our Town code does not allow grass clippings or other vegetation to be placed on the streets, alleyways or sidewalks. The street sweeper cannot pick up your grass clippings.

Thanks to Town Manager Walls, Finance Director Savage and the Commission, we have passed a balanced budget for fiscal year 2010. This was accomplished without raising taxes or water/sewer rates. Only the garbage fee was raised by 75 cents per month. No employee merit or cost-of-living raises were given, but the Town will continue to pay employee health insurance.

On behalf of the Commissioners of Bridgeville, I would like to extend special thanks to Mr. Todd Bariglio of the Bariglio Corporation for his \$25,000 donation to the new Bridgeville Library. The Bariglio Corporation has recently annexed property into Town limits and we look forward to working with them on their commercial projects.

As excited as we are about the opening of the new Bridgeville Library later this summer, we will miss visiting our historic library on Market St.; it has served us well for many years. The Library under construction on South Cannon St. will offer many new services to Bridgeville residents of all ages. Please see page 8 for all the opening events at the new Library.

Have a great summer. Be safe and enjoy all the activities around the area.

William Jefferson

### INSIDE THIS NEWSLETTER

### Bridgeville Water Department

*See pages 5-7*

# Minutes from the Monthly Commission Meetings

April 13, 2009

March Traffic Arrests: 97 Criminal Arrests: 17

Two building permits were issued in March bringing revenue of \$58.00. Four certificates of occupancy were issued.

Three untagged or inoperable vehicles were turned over to the Bridgeville Police for action.

Eight water meters were installed and one water/sewer inspection completed at Heritage Shores. Meters were also installed on South Cannon St. and Delaware Ave.

There were no NPDES violations in February or March at the wastewater treatment plant.

Annual Industrial User Pretreatment Inspections were conducted at Rapa Scrapple and Pet Poultry as required by Town Ordinance. Effluent discharge samples were sent to an independent lab for analysis.

The Town's Economic Development/Main Street Committee continues to research resources to enhance our downtown area. In addition, Commission President Jefferson appointed Commissioner Collison to take his place as Chairman of this Committee.

The Commission adopted an Ordinance to place a 4-way stop at the corner of South Cannon St and Jacobs Ave. for added safety at the new Bridgeville Library.

Handicap ramps were updated on several street corners in Town.

Branches, bricks, roots and trash were removed at 102 & 104 N. Main St.

The Town is instituting a plan to prevent trucks from using Bridgeville as a shortcut for residents' safety and to prevent the destruction of our streets and curbing. Trucks are only allowed in Town for a local delivery or pick-up.

The Commission adopted a Resolution for the issuance of up to \$250,000 maximum principal amount of general obligation bonds to finance improvements to the Town's drinking water facilities. Public Hearing and Referendum dates were set. The Town expects reimbursement of \$185,000 from the approved federal stimulus package, leaving only \$65,000 to be financed by the Town.

Mr. Joseph Conaway was appointed to the Planning and Zoning Commission to fill the unfinished term of Mr. Mike Collison, who won a seat from District 4 on the Town Commission. Mrs. Sandie Rementer was reappointed to a new 3-year term on the Planning and Zoning Commission.

The Police Department will initiate a stringent patrol schedule for the Children's Sanctuary Park to end inappropriate use of the park and vandalism.

May 11, 2009

April Traffic Arrests: 203 Criminal Arrests: 12

Eleven building permits were issued in April bringing revenue of \$988.50. Two demolition permits and 2 certificates of occupancy were issued.

Five untagged or inoperable vehicles were turned over to the Bridgeville Police for action.

There were two water meters installed at Heritage Shores. Meters installed now total 543.

Water Superintendent Jones attended a refresher class for Approved Sampler Tester at the Delaware Rural Water Association.

The Town has awarded a contract for the replacement of a raw pump at the wastewater treatment plant.

Mr. Joshua Forster from Muni-Cap, trustee of the Heritage Shores Special Tax District, presented the Tax District report for the 2009-2010 tax year. The Commission adopted tax rates for the upcoming July 1st assessments.

The block building behind the Fire Hall has been removed; this will enhance traffic visibility in Union Alley.

The Town has received a \$500 grant from Sussex County Councilman Samuel Wilson to assist in the cost of the purchase of shutters for Town Hall.

Mr. Rick Tull will chair the 2009 Bridgeville Charity Open Golf Tournament. Sign-up flyers are available at Town Hall. We expect a full field of golfers for our 3rd annual event.

The Commission certified the Annexation Referendum Vote on May 2nd. Three properties were successfully annexed into Town limits.

The Commission adopted an Ordinance to add several Heritage Shores streets to Town maintenance. Additional streets will be added in the future as they are completed and accepted by the Town.

The Commission adopted an Ordinance to repeal Articles I through VI of the Vehicle and Traffic Chapter of the Town Code, as these laws are included in Title 21 of the Delaware State traffic codes.

The Police Department will participate in the Office of Highway Safety Click It or Ticket Campaign, receiving a \$1,600 grant to conduct seat belt enforcement patrols.

## Town Manager's Report

I am pleased to announce the adoption of the FY-10 budget for the Town of Bridgeville; it reflects a .5% increase over the current operating budget. This budget does not remove or suspend any Town services and there are no increases in Town taxes or water/sewer fees. There is a \$.75 increase in monthly garbage collection. I would like to commend our employees for keeping expenses down this current fiscal year to allow the year to end with a surplus. Please see page 4 for budget details.

Three properties were annexed into the Town on May 2nd. These include the Bariglio Corporation, with 67 acres located directly behind Royal Farms. They intend to build two phases of commercial stores; a later, 3rd phase may be commercial or changed to residential. Windsor Development, LLC plans to build two professional buildings on 2.92 acres of land on Antique Alley. The third property is a Church St. residence owned by Matthew & Christine Davis. This property was annexed in order to receive Town water/sewer services.

The June 4th Referendum Vote was successful. The Town will be able to borrow \$250,000 for improvements to the Town's Drinking Water Facilities, including, but not limited to, the installation of back-up well #6 and other associated costs. It is anticipated that during the construction of the project, the Town will receive loan forgiveness in the amount of \$185,155 through the American Recovery and Reinvestment Act of 2009, so that at completion of the project, the Town will only have a remaining loan of \$64,845.

The Route 13/404 realignment project is complete. The Commissioners and I attended a dedication ceremony on May 21st where it was reported that on average, 32,000 cars use this intersection a day. During the ceremony Commission President Jefferson requested that the Department of

Transportation repave Antique Alley and Rifle Range Road, both of which were used for detours during the 2-year construction project.

Plans are already underway for the 3rd Annual Bridgeville Charity Open Golf Tournament. Mr. Rick Tull has agreed to Chair the event, with Mr. Joe Conaway as Honorary Chairman. Last year the Tournament raised \$27,000 divided between these local organizations: the Senior Center, Kiwanis Foundation and Lions Foundation. Both previous tournaments have had a full field of participants, so be sure to express your interest quickly. Stop by Town Hall for a event flyer or call the Town office at 337-7135. The backbone of this fundraising effort is sponsorships. For as little as \$125 you can sponsor a tee sign for the event.

We are pleased to welcome Patrolmen Richard Baker, Ryan Hogan and John McQuown to the Bridgeville Police Department after their graduation from the Delaware State Police Academy. We are now fully staffed and prepared to meet the needs of our community.

In conjunction with Arbor Day and the Tree City Program, a cherry tree was planted on Delaware Ave. Our thanks to Barton's Landscaping for the donation of the tree, mulch, stakes and other needed materials. We appreciate their generosity and support.

Our Memorial Day Celebration was a success with over 100 in attendance. We are very appreciative of all those who participated and those who took special part in the program.

Thanks to all those who participated in the Town Clean-Up Day on May 9th. We want everyone to be proud enough of our community to keep it clean. Over 20 tons of trash were removed!

Bonnie Walls

### Summertime Reminder

Please mow your lawn throughout the summer. No weeds, grass or other ground cover vegetation over 8 inches is allowed. The **One Warning Only Policy** remains in effect concerning grass cutting. If the first grass cutting warning is not heeded, the Town will automatically cut the grass and the owner will be charged a minimum of \$75.00 for the grass cutting service, as well as a \$250.00 administrative fee.

### Ways to Conserve

*When washing dishes by hand, don't let the water run while rinsing. Fill one sink with wash water and the other with rinse water.*

*Adjust sprinklers so only your lawn is watered and not the house, sidewalk, or street.*

*Turn off the water while brushing your teeth and save 25 gallons a month.*

### From the Bridgeville Police Department

The Bridgeville Police Department would like to take this opportunity to inform the citizens about issues that are of concern to this Department.

The Police Department has received complaints of an increase in tractor trailer traffic coming through our Town limits, where access is restricted to local deliveries only. In response we have increased our tractor trailer patrols.

If you observe skateboarders on Town streets, please call the Police Department for appropriate action to be taken. Not only is skateboarding in the roadway against Town Ordinance, it is also a serious safety concern. Skateboarding is only allowed in alleyways in the Town of Bridgeville.

As a reminder, always keep your vehicles secured and remove all electronic devices. If you see anything that you believe to be suspicious, or notice criminal acts in progress, please call us immediately at the telephone number below or dial 911. If you have a concern about a police-related matter, please stop by the department or call us to discuss the matter.

Bridgeville Police Department Telephone: (302) 337-8302 Fax: (302) 337-8359

# Highlights of the Town of Bridgeville Fiscal 2010 Budget

## Administration

- Property taxes will remain constant; the garbage collection fee has been increased by \$.75 to \$14.00 to help offset increases in administrative costs and a contract increase with M-T Trash.
- A Fall Town-Wide Clean-Up Day is included.
- The Town will continue to offer a quality benefit package to its full-time employees. Please note the cost of Health Insurance through the state's contract increased by \$16 per employee, per month.
- The Town will use carryover reserves from the 2009 fiscal year to assist with the operating budget. Additional monies will be taken, as needed, from the Town department escrow accounts to balance the operating budget.
- Eligible employees will receive a \$300 salary increase for completed years of service. This budget does not include cost-of-living raises and merit increases.

## Streets

- The Town will apply for a tree planting/maintenance

grant through the Delaware Forest Service.

- Funds are budgeted for additional street lighting costs due to the acquisition of streets at Heritage Shores.

## Police

- With seven police officers employed, this budget reflects an increase in fine income to \$150,000.
- The budget includes the hiring of a part-time secretary for the Police Department.
- Monies budgeted for overtime have been decreased.

## Water / Wastewater

- User rates have not increased, despite the fact the Town Auditor, Department of Agriculture and Department of Natural Resources have all strongly recommended that the Water/Wastewater Departments become self-sufficient.
- Monies are included to begin operating the spray irrigation facility and \$10,000 has been budgeted to continue the lease of the Wheatley Farm for future Spray Irrigation.

## New Faces on the Block

### Welcome to our new Homeowners!

<u>Canvasback Circle:</u>	<u>Second Street:</u>	<u>Emily's Pintail Drive:</u>
The Charles Wallaces	Tameka Deshields	The Timothy DuPonts
The Gregory Moores	<u>N. Cannon Street:</u>	<u>Delaware Avenue:</u>
	Gregory Stevenson	Patterson & King

## Pool Owners

Pool meters are available from Town Hall. The metered hose will allow you to fill your pool with water

### ONE TIME ONLY DURING THE SUMMER,

charging only for water, not for sewer. Pool meters must be returned within one week.

## Report Sick, Dead Birds to DNR

The Department of Natural Resources and Environmental Control's Mosquito Control Section is asking the public's help in monitoring West Nile virus by reporting the following sick or dead wild birds:

Crows, Blue Jays, Cardinals, Robins, Hawks, Owls

Or cluster of 5 or more sick or dead wild birds of any species

Specimens should appear to have been dead for less than 24 hours and not killed by other obvious causes.

There is no cause for alarm or fear that uncollected specimens will transmit West Nile virus to humans or pets that might consume a sick bird. Dead birds can be left to decompose in place, or they can be buried or bagged and disposed of in the garbage. Avoid skin contact by wearing gloves or using a shovel to dispose of the carcass.

In Sussex County, sick or dead birds can be reported to the Mosquito Control Section from 8 AM - 4 PM, Monday - Friday, by calling 302-422-1512.

## Report Intolerable Numbers of Biting Mosquitoes

Call the same telephone number to help Mosquito Control determine when and where to provide mosquito control services to our area.

*Annual Drinking Water Quality Report for 2008*  
*The Town of Bridgeville Water Department*  
*PWS ID # DE 0000559*  
*101 North Main Street*  
*Bridgeville, Delaware 19933*  
*May 8, 2009*

We're pleased to present to you this year's Annual Quality Water Report. This report is designed to inform you about the quality water and services we deliver to you every day. Our constant goal is to provide you with a safe and dependable supply of drinking water. We want you to understand the efforts we make to continually improve the water treatment process and protect our water resources. We are committed to ensuring the quality of your water. **Our water source is groundwater. Our wells draw from the Columbia, Cheswold, and the Frederica Aquifers.**

The Division of Public Health in conjunction with the Department of Natural Resources and Environmental Control has conducted a source water assessment. If you are interested in reviewing this assessment, please contact the Town Hall, Doug Jones @ 337-7135 regarding its availability and how to obtain a copy.

I'm pleased to report that our drinking water meets federal and state requirements.

If you have any questions about this report or concerning your water utility, please contact **Doug Jones @ 337-7135**. We want our valued customers to be informed about their water utility. If you want to learn more, please attend any of our regularly scheduled meetings. They are held on **the second Monday of each month at 7:00 p.m. at the Town Hall, 101 North Main Street.**

Public Health, Office of Drinking Water and Bridgeville Water Department routinely monitor for constituents in your drinking water according to Federal and State laws. This table shows the results of our monitoring for the period of January 1<sup>st</sup> to December 31<sup>st</sup>, **2008**. As water travels over the land or underground, it can pick up substances or contaminants such as microbes, inorganic and organic chemicals, and radioactive substances. All drinking water, including bottled drinking water, may be reasonably expected to contain at least small amounts of some constituents. It's important to remember that the presence of these constituents does not necessarily pose a health risk.

In this table you will find many terms and abbreviations you might not be familiar with. To help you better understand these terms we've provided the following definitions:

*Parts per million (ppm) or Milligrams per liter (mg/l)* - one part per million corresponds to one minute in two years or a single penny in \$10,000.

*Parts per billion (ppb) or Micrograms per liter* - one part per billion corresponds to one minute in 2,000 years, or a single penny in \$10,000,000.

*Action Level* - the concentration of a contaminant which if exceeded, triggers treatment or other requirements which a water system must follow.

**Treatment Technique (TT)** - A treatment technique is a required process intended to reduce the level of a contaminant in drinking water.

**Maximum Contaminant Level (MCL)** - The "Maximum Allowed" (MCL) is the highest level of a contaminant that is allowed in drinking water. MCLs are set as close to the MCLGs as feasible using the best available treatment technology.

**Maximum Contaminant Level Goal (MCLG)** - The "Goal" (MCLG) is the level of a contaminant in drinking water below which there is no known or expected risk to health. MCLGs allow for a margin of safety.

**Maximum Residual Disinfectant Level (MRDL)** - The highest level of a disinfectant allowed in drinking water. There is convincing evidence that addition of a disinfectant is necessary for control of microbial contaminants.

**Maximum Residual Disinfectant Level Goal (MRDLG)** - The level of a drinking water disinfectant below which there is no known or expected risk to health. MRDLGs do not reflect the benefits of the use of disinfectants to control microbial contaminants.

TEST RESULTS						
Contaminant	Violation Y/N	Level Detected	Unit Measurement	MCLG or MRDLG	MCL or MRDL	Likely Source of Contamination
<b>Microbiological Contaminants</b>						
Chlorine (as Cl <sub>2</sub> )	N	.21-1.57	ppm	4	4	Water additive used to control microbes
3. Turbidity	N	.51-1.7* (2006)	ntu	n/a	TT	Soil runoff
<b>Inorganic Contaminants</b>						
9. Arsenic	N	3 *(2006)	ppb	n/a	10	Erosion of natural deposits; runoff from orchards; runoff from glass and electronics production wastes
14. Chromium	N	8 *(2006)	ppb	100	100	Discharge from steel and pulp mills; erosion of natural deposits
17. Fluoride	N	.61-1.14	ppm	0.8 -1.2	2	Erosion of natural deposits; water additive which promotes strong teeth; discharge from fertilizer and aluminum factories
20. Nitrate (as Nitrogen)	N	.4-3.8	ppm	10	10	Runoff from fertilizer use; leaching from septic tanks, sewage; erosion of natural deposits
<b>Volatile Organic Contaminants</b>						
75. TTHM [Total trihalomethanes]	N	4.24 *(2007)	ppb	0	80	By-product of drinking water chlorination
Haloacetic Acids (HAA)	N	1.7 *(2007)	ppb	60	60	By-product of drinking water disinfection
<b>Unregulated Inorganic Contaminants</b>						
79. Iron (Fe)	N	.05-.12	ppm	0	0.3	
80. Sodium (Na)	N	27.8-54	ppm	0		
81. Alkalinity (Alk)	N	1.10-185	ppm			

82. pH	N	7.0-7.9	ppm		6.5 – 8.5	
83. Chloride (Cl)	N	8.9-13.5	ppm		250	
84. Hardness	N	20.8-35.5	ppm			
85. Total Dissolved Solids (TDS)	N	220-224	ppm		500	
Sulfate	N	1.7-2.7	ppm			

\* The state allows us to monitor for some contaminants less than once per year because the concentrations do not change frequently. Some of our data, though representative, are more than one year old.

**All other contaminants were in compliance with the Safe Drinking Water Act.**

As you can see by the table, our system had no violations. We're proud that your drinking water meets or exceeds all Federal and State requirements. We have learned through our monitoring and testing that some constituents have been detected. The EPA has determined that your water is drinkable at these levels.

The sources of drinking water (both tap water and bottled water) include rivers, lakes, streams, ponds, reservoirs, springs, and wells. As water travels over the surface of the land or through the ground, it dissolves naturally occurring minerals and, in some cases, radioactive material, and can pick up substances resulting from the presence of animals or from human activity. In order to insure tap water is safe to drink, EPA prescribes regulations which limit the amount of certain contaminants in water provided by public water systems. Food and Drug Administration regulations established limits for contaminants in bottled water, which must provide the same protection for public health.

All drinking water, including bottled water, may reasonably be expected to contain at least small amounts of some contaminants. The presence of contaminants does not necessarily indicate that the water poses a health risk. More information about contaminants and potential health effects can be obtained by calling the Environmental Protection Agency's Safe Drinking Water Hotline at 1-800-426-4791.

MCL's are set at very stringent levels. To understand the possible health effects described for many regulated constituents, a person would have to drink 2 liters of water every day at the MCL level for a lifetime to have a one-in-a-million chance of having the described health effect.

Thank you for allowing us to continue providing your family with clean, quality water this year. In order to maintain a safe and dependable water supply we sometimes need to make improvements that will benefit all of our customers. These improvements are sometimes reflected as rate structure adjustments. Thank you for understanding.

Some people may be more vulnerable to contaminants in drinking water than the general population. Immuno-compromised persons such as persons with cancer undergoing chemotherapy, persons who have undergone organ transplants, people with HIV/AIDS or other immune system disorders, some elderly, and infants can be particularly at risk from infections. These people should seek advice about drinking water from their health care providers. EPA/CDC guidelines on appropriate means to lessen the risk of infection by cryptosporidium and other microbiological contaminants are available from the Safe Drinking Water Hotline (800-426-4791).

## Community Activities

### IMPORTANT LIBRARY DATES

Library Internet Access Suspended July 13  
 Current Library Location Closing to the Public 16  
 (Please Note: Library card and internet use available at all Kent/Sussex Libraries. Online services accessible at [www.lib.de.us](http://www.lib.de.us). Sussex Bookmobile service also available.)

### **NEW LIBRARY OPENING WEEK CELEBRATION**

600 South Cannon St.

New Library Opens Early August  
 Ribbon Cutting 10 AM August 17  
 VIP Celebration (Invitation Only) 19  
 Friends Group Celebration 5-7 PM 21  
 Family Fun Day Noon-4 PM 22

### Bridgeville Public Library

**2009 Summer Reading Program "Be Creative at Your Library"** Sign-ups begin June 26th at the current Library. Programs will be held at St. Mary's Parish Hall until the new Library opens. Programs are Tuesdays and Thursdays at 11 AM from July 2 through the Closing Party on August 13.

**Kiwanis Chicken Barbecue** Please support our yearly fundraiser at the Kiwanis BBQ August 1st and 2nd, at the corner of Route 404 and Route 16.

**Volunteer Opportunities** The Library is seeking volunteers for the new Library building. Please fill out a volunteer application at the current Library. Background checks are mandatory to volunteer in the new Library. (There is no cost to the applicant.)

#### Regular Library Closings

July 3 - Staff Training July 4 - Federal Holiday

### Friends of the Bridgeville Library (FBL)

The Friends Group will soon meet its 2008-2009 goal of subscribing 150 individuals or households as members. Less than eight additional members/households need to join in order for the goal to be reached by June 30! **Please Join Now and Help Raise Funds for the New Library.** For as little as \$10 per year you can join the Friends of the Bridgeville Library and know that you will be supporting an established institution in our community.

The current library is housed in a small, former church building built in 1866. The new 15,000 square foot library, under construction at the south end of South Cannon St., will offer an increased volume of books, CD's and DVDs. Up-to-date technology will be available, as well as a large community room for group meetings. The Friends Group has been instrumental in raising a substantial amount of the construction funds needed. The State of Delaware, Sussex County and the Town of Bridgeville have also contributed large amounts of funds, along with a number of private groups who have given generous grants. **The FBL Goal is to Open the New Library in August Debt-Free.** Less than \$300,000 of the \$2.5 million cost is yet to be raised. Areas of the library can still be gifted to honor or remember an individual or family.

**A Special Group of Volunteers Will Be Needed Soon to Install Shelving.** This is a short term project for those who can contribute their time. Please contact Larry Skala to express your interest at 337-3678 or [lskala@comcast.net](mailto:lskala@comcast.net).

See the new Library under construction at: [www.flickr.com/photos/bridgevillelibrary/](http://www.flickr.com/photos/bridgevillelibrary/)

### Kiwanis Club of Bridgeville News

**American Flags** The Bridgeville Kiwanians will soon install and maintain American Flags along five community streets. They will remain until the Apple Scrapple Flags replace them in October.

**Kiwanis Chicken Barbecue** The Kiwanis Chicken Barbecue opened the first week-end in May and will continue every weekend through the first of October. During July and August the barbecue will also be open every Friday. The barbecue is located four miles west of Town at the corner of Seashore Highway and Scotts Store Road. Barbecue chicken platters are available for \$6.00 each. This fundraising effort supports 21 different local organizations that use the barbecue as their fundraising project. Profits realized by the Kiwanis Club are used to support charitable and community service projects.

**Membership** The Kiwanis Club of Bridgeville is always looking for new members. If you are interested in helping to provide community service and assisting the less fortunate, then you may be interested to become a member of the Kiwanis Club. Please contact the Club Secretary at 337-7070.

## Community Activities

### Lions / Lioness Club News

**Food Trailer** The summer season is upon us! The Lions Food Trailer will open on the weekend of July 3/4 as a joint effort of the Lions and Lioness. They will then alternate weekends through August 29. The Food Trailer is open Fridays from 10 AM to 6 PM and Saturdays from 10 AM to 3 PM. Enjoy the best oyster sandwiches and crab cakes around and support the Lions Club.

**Awards/Scholarships** both the Lions and Lioness will again provide awards/scholarships this year to certain graduating seniors.

**Library Donation** The Lions recently donated \$2,500 to the new Library in honor of Lions Club member Orlan Brown for his longtime service to the Bridgeville Library.

### Bridgeville Historical Society News

**Historical Society Museum Open to Public** Our museum is open for visitors on the first Sunday of each month from 1-4 PM through October 4 at 102 William Street. The museum will also be open October 10th from 10 AM - 3 PM for the Apple Scapple Festival. Be sure to read the historic information display boards that rotate monthly between the Town Hall, Library and PNC Bank.

**Annual Auction** The public is cordially invited to attend our 31st annual Auction/Social at Heritage Shores Clubhouse on Saturday, August 1st. Tickets are \$20 including a bid card. The social begins at 6 PM, with the auction at 7 PM. Proceeds will benefit the Society's activities and projects. RSVP by telephone 337-3347 by July 15th. If you have any items to donate to the Society for this auction, please call 337-3347 or 337-3678 and arrange for pick-up or delivery.

**Market Street Planter Barrels** Volunteers, both individuals and organizations, are needed to maintain the planter barrels that are placed on Market Street. Please call 337-8595 to express your interest in adopting a barrel.
